It has two models to choose from with the finest finishes and designs.

Blv. Coronado, Panamá

Master Plan

The project has:

125 Villas

Security gate

Perimetral wall

Electric Fence

24-7 security

Coronado is named as the most developed beach in Panama City, because despite being a beach where you can find absolute peace and achieve that disconnection of the daily mundane, you will not miss the facilities that will give you a pleasant stay

In Coronado you can find supermarkets, schools, hospitals, vet, banks, pharmacies, restaurants, hotels, golf club, tennis court, bars, church, synagogue, workshops, ice cream shops, more than three commercial squares with multiple shops and even runway for landing, among others.

It is named by important and recognized publicationsamong them Forbes magazine, as one of the 10 best beaches to retire in Latin America.

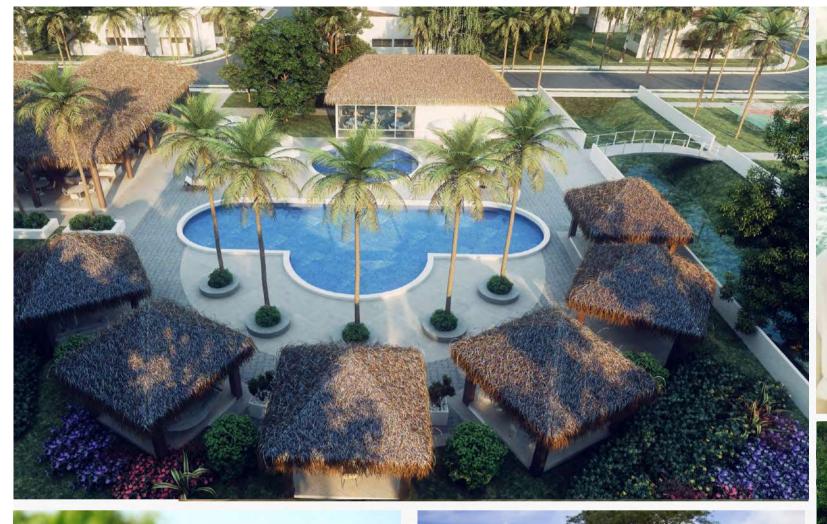

Amenities

Recreational park, swimming pool, wading pool, party hall, gym area, gazebo with bar, lounge area, among others.

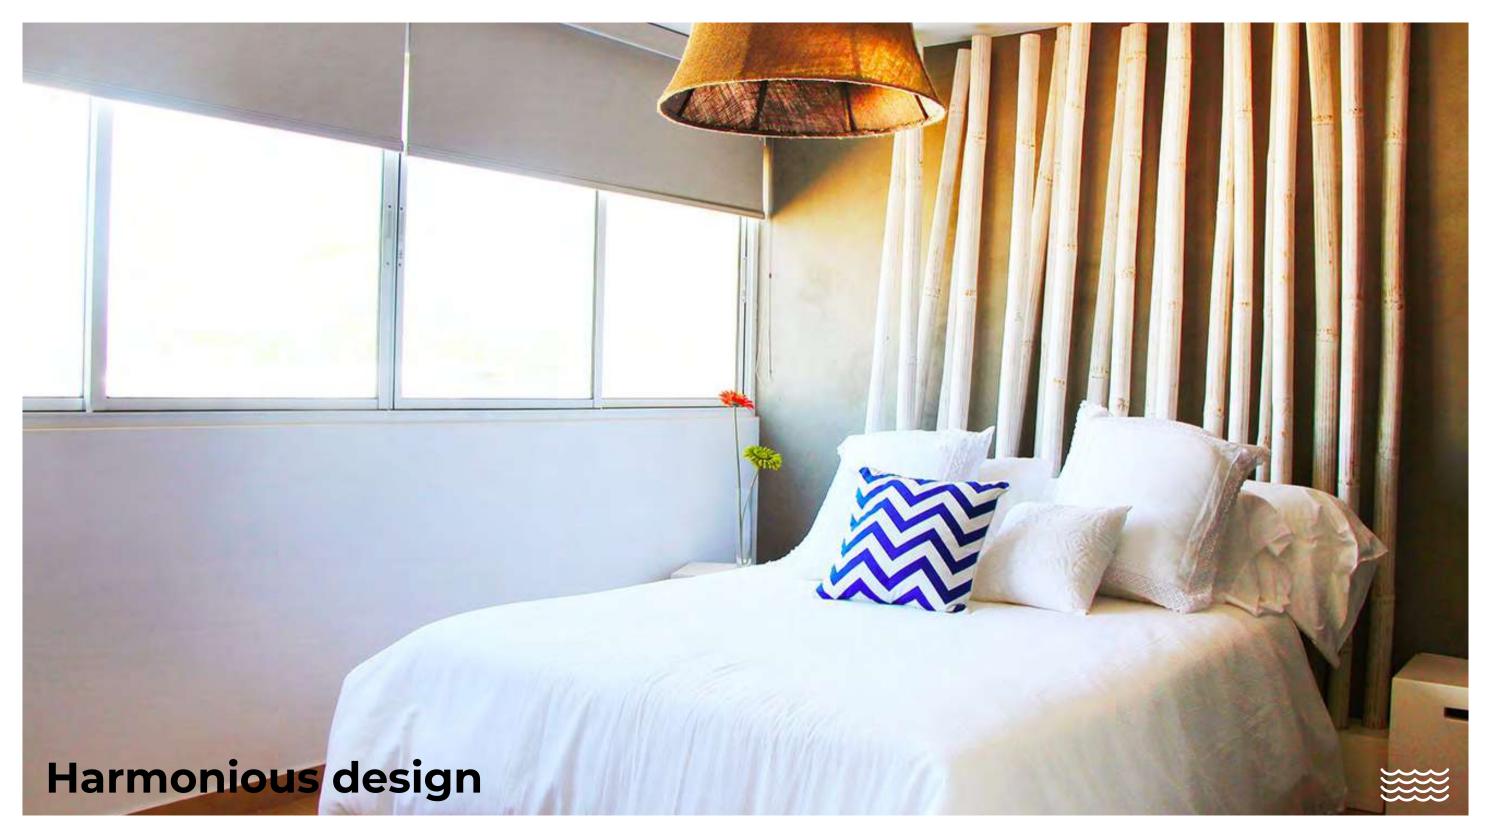

First Floor

Type A from 210m2 lots

2 Floors 3 Bedrooms

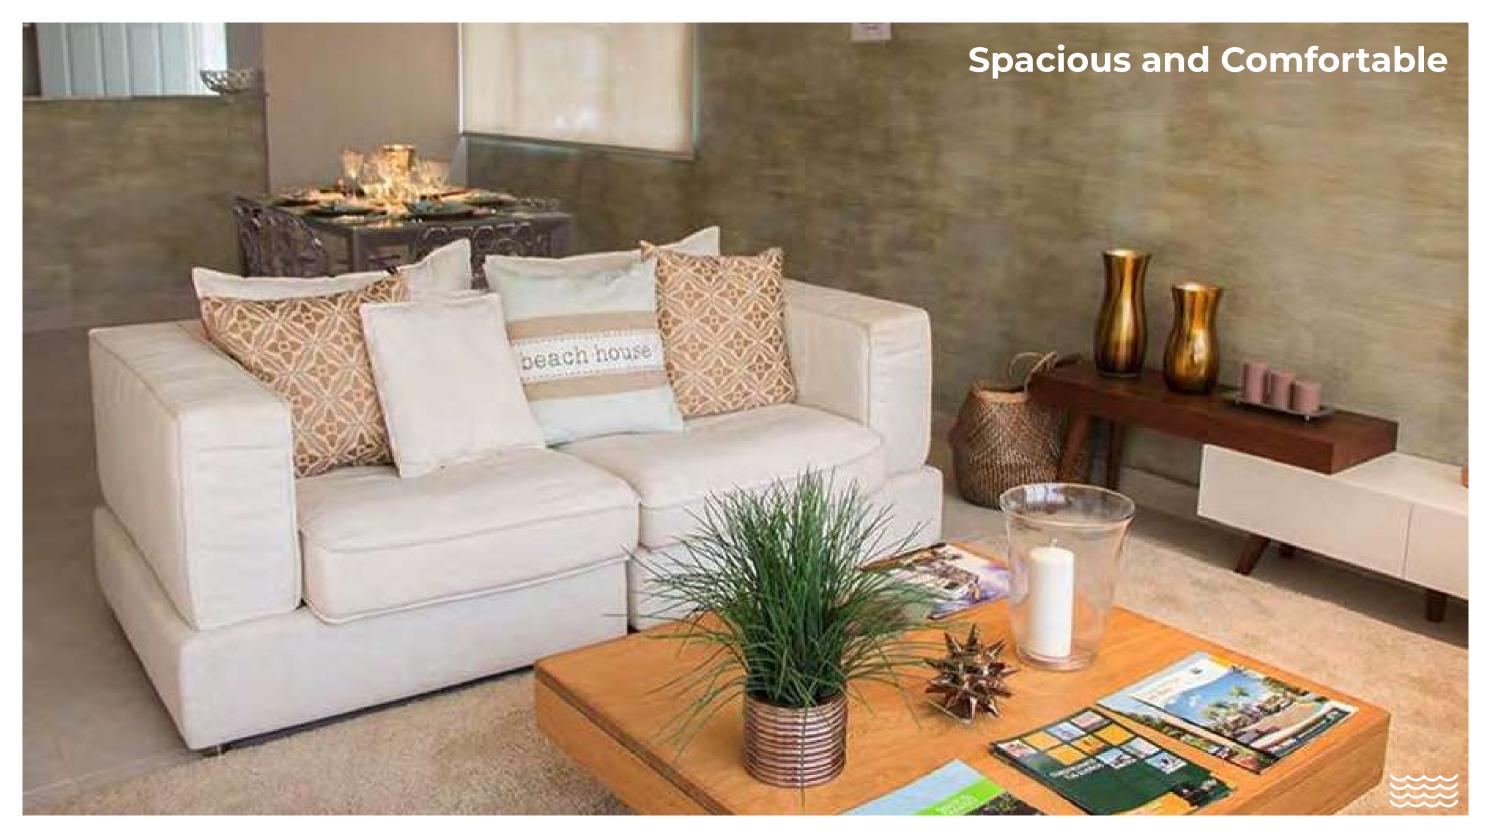

2 Bathroom

1 Half bathroom 2 Parking lots

Starting at \$ 213.000

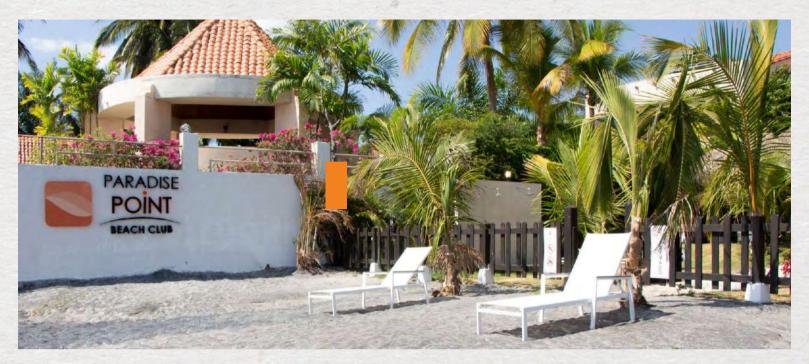

Become Seach club

Paradise Point residents will have access to an oceanfront beach club, located less than 3 minutes away from the project and exclusive for residents.

Here you can have private access to the beach, enjoy a playground, gazebos, bathrooms and changing rooms.
